

Annual BPAA Golf Tournament

The Annual BPAA Golf Tournament took place at Mendip Spring Golf Club, on 24th September. The day was played in glorious late summer sunshine, brilliantly arranged by the Tournament organiser, Jason Herbert, who is to be complimented on the whole days outcome. 48 players entered which, given the current property climate, was a particularly fine effort.

Justin Mcilhenney of Gregg Latchams produced a fine display of golf which saw him crowned this years champion with a Stableford score of 44 points. Well done to him and to all others who took part.

The BPAA are most grateful to Kevin Mashford of Utopia, not only for his companies kind sponsorship of the event, but also for his personal support on the day, in particular as our roving photographer! Thanks must also go to the staff and members of Mendip Spring for their hospitality on the day and finally to the Members and Associates of the BPAA for continuing to support the event.
